- Tracking of Visitors' Activity and Location.
- Integrate with HRMS and Database to facilitate
- Time and Attendance Management.
- Captured Images with Punch Cards of IN/OUT or Fingerprint Recording.
- Monitor Employees in Real-Time and thus lessen Employee Time Theft.
- Recognition Threshold feature for Safety and Security.
- User-specific or Event-based Alerts.

Face
Control System
Real-Time Time Attendance

Monitor Employees, diminish an Employee's Time Theft and maximize your Organizational Productivity with this remarkable AI-based Face Control System. Classify Individuals, Generate Customized Reports and be Notified of potential Suspicious Activity, all by medium of a single Web-based System.

TITAN

The IXM Titan is your one-stop Solution concerning crucial Biometric Security. Ranging from a Fingerprint Reader, Face Recognition as well as Finger-Vein Authentication, Titan is your comprehensive package.

Titan's High-Resolution Camera doubles as a Video Intercom, in addition to being a Valuable Video-Surveillance System.
It may be exercised for purpose of Staff Time and Attendance, or even as an Access Control.

FEATURES

- A Large 5-inch Capacitive Touch Screen Interface.
- A 21 MP Camera with LED Flash.
- Authentication of 12-18 Users per minute.
- An Automated Facial Recognition System.
- Contactless Hitachi-Patented Finger-Vein Detection Technology.
- Optical and Multispectral Fingerprint
- Authentication options.
- Suitable for Indoor/Outdoor Installation due to our IP67 rated Dust and Water Resistance.
- Wireless Connectivity possibilities – Wi-Fi, Bluetooth, NFC or 3G/LTE.

Product #25
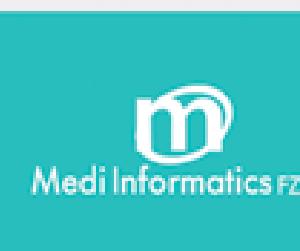

Biometric
Security Solutions

Our skillful engineering of a powerful processor ensures all your needs are met efficiently, and without fail. Supplementary features embrace high-speed Face Detection, reliable Wireless Connectivity and sufficient Storage Space for Users and Associated Transactions.

OUR PARTNERS

We take immense pride in our union with establishments whom live by our professional philosophies and too magnify our strengths.
